The principle of selection, therefore, has not been the editors own preference but the general consensus of present-day opinion with a greater readiness to omit rather than to include debated passages. The most disputed subjects are those of the Messianic consciousness and the apocalyptic language here such contradictory opinions are held that no choice of material will be universally satisfactory. But much of this controversy is based on premises that are more theological than historical and every passage printed perhaps apart from those marked a, b, c at the beginning has the support of specialists who otherwise hold radical views. Apart from these subjects there are few serious scholars who will not agree that Jesus actual teaching is summarized with reasonable accuracy by the collection as a whole. Quite aside from critical problems, however, this collection may be used simply as a compilation of representative passages from the first three Gospels, to serve as an introduction to the...
