Filesize: 9.16 MB

Reviews

A must buy book if you need to adding benefit. Indeed, it can be engage in, continue to an amazing and interesting literature. I am effortlessly can get a delight of reading a published pdf. (Elliott Wuckert)

THE NEW FRUGALITY: HOW TO CONSUME LESS, SAVE MORE, AND LIVE BETTER

Bloomsbury Publishing PLC, United States, 2011. Paperback. Book Condition: New. 203 x 140 mm. Language: English . Brand New Book. The 2008 crash brought high-flying, free-spending, debt-amassing Americans back to earth with a thud. But as trusted finance reporter Chris Farrell explains, there s a silver lining to this cloud: It is accelerating a trend already under way in America toward what he calls the New Frugality -a fresh way of thinking about how, what, and why we consume. In this down-to-earth, approachable book, Farrell explains both the theory and the practice of living frugally. The good news is a frugal lifestyle isn t about penny-pinching: It s about wasting less and getting more from each day and each dollar. Chris Farrell is a regular contributor to Bloomberg Business Week and the resident personal finance expert and economics editor for American Public Media s Marketplace Money. He lives in St. Paul, Minnesota Praise for The New Frugality A how-to for people who say the Great Recession has made them want to change. - Minneapolis Star Tribune Farrell s advice comes wrapped in a message aboutfinancially and ecologically sustainable living that is particularly welcome in tough times. Here s the good news: Being frugal is not synonymous with being cheap. Buy the good bike, the low-energy-use appliance; they re better made and will last longer. Just don t be reckless, with your life or your habitat.- Los Angeles Times.
