Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Michael Spinka)

A MEDICINE WOMAN SPEAKS

Career Press. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 9.0in. x 6.1in. x 0.5in. Cinnamon Moon blends both feminine and masculine points of view as she defines shamanism on a personal level and describes how the practice can provide both immediate and long-term results. For new seekers, she offers a foundational spiritual process that can help before beginning to walk any spiritual path. A Medicine Woman Speaks is a conversationally styled work serving both the beginning and seasoned student. In demonstrating how shamanism is compatible with all religions, the individual is taught to find the shaman within and reconnect with Great Mystery (the Creator) on a deeply personal level. In this way the development of greater spiritual awareness leads to enlightenment through working with the energies of the universe and other spiritual realms of dimension. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
